

KID CITY WORSHIP TEAM

One of the most exciting sights at Kid City is our Worship Team. This group is made up of kids (grades 2-5) and teens who love to sing, dance and worship God.

How to Join the Team:

At Kid City we give kids an opportunity to lead. We are always looking for kids in grades 2-5 who love to worship God with their whole heart and want to lead others in praise. This is a great opportunity for kids to make some great friends, learn new songs and serve God. We are open to new membership throughout the year. If interested, come pick up a form at Kid City.
