

WHAT IS TITHING?

Tithing is the Christian practice of giving the first 10% of our income to the church as an act of trust in God. It's about acknowledging that everything we have comes from God in the first place so we give back to His purposes. Tithing is one way we worship God. 10% is the percentage of income many Christ-followers tithe, but many find themselves devoting more than that to their regular tithe. No matter what percentage you give, we believe God proves Himself faithful every time you choose to trust Him.

IS GIVING SECURE?

Donations made online, by text or on the app are processed by ShelbyNext Giving. No credit or bank account information is stored on East Hill's computers. ShelbyNext Giving is a Level 1 PCI Compliant Service Provider. Meeting the rigorous requirements of the Payment Card Industry Data Security Standards (PCI or PCI-DSS) means ShelbyNext meets the highest standards for security set forth by the Card Brands. Any organization that stores, processes, or transmits payment cardholder data, no matter what size, must meet these security standards to ensure security of donors' sensitive payment information.
